To Our Farming Friends,

We have now wrapped up another Harvest. We have so much to be thankful for here in the USA.

We would like to invite you along on our mission of supporting our local American Red Cross. All donations to this project will be staying in our area.

Our Red Cross offers our communities so many much needed services.

Red Cross volunteers are on call 24/7. They show up at a home fire to support the family by offering emotional support, ensure they have a place to stay, clothing, food, and most important to let them know they are not alone. When needed, Red Cross will open local shelters to care for our neighbors and loved ones. Red Cross assist's our Military families during a crisis. Caseworkers will assist the family in getting communication sent to their loved ones that are serving our Country.

Other services provided by the Red Cross are:

- Transportation for our Veterans to the VA Hospitals.
- Hosting Blood Drives
- Training people in life saving skills, such as CPR and First Aid
- Serving with our Homeland Security Team
- Educating our community on Preparedness
- Recruiting and training volunteers to deliver all services

Due to the fact we set upon the earth quake fault line, we are at high risk. Our American Red Cross has over 30 shelters lined up to be open if needed. Just imagine if you or a loved one was in need, the American Red Cross is here, ready to serve.

We would like to thank you for considering the opportunity to partner with us to raise funds for our local Red Cross that covers Montgomery, Fountain and Warren counties. If you have any questions regarding the organization please feel free to contact Denise Maxwell at 765-362-3103, or dmcrc@sbcglobal.net and she will be more than happy to speak with you.

Sincerely,

Montgomery County: 
Mark K. McClamroch

Fountain County: 
Alan H. McDonald

Warren County: 
Steve Magner
